MAYFIELD LOCAL HISTORY SOCIETY

2025/2026

MAYFIELD LOCAL HISTORY SOCIETY

The Mayfield Local History Society was founded in 1975 to encourage interest in the history of Mayfield and its locality.

The main activity of the Society is the holding talks during the winter months (October – April) on relevant historical topics, especially related to local parishes and the county of Sussex.

A small local history and archive collection is also maintained, and available to all, for which additional help would be welcomed by the Society.

Further historical information is contained in the Mayfield Village Website which may be accessed via the Society's website.
